

WJ GROUNDWATER

Expert in Groundwater

Weston Golf and Country Club

WJ Groundwater Advanced Dewatering Workshop

We are pleased to announce WJ Groundwater Canada we will be hosting an **Advanced Dewatering Workshop – From Theory to Practice**, on Dec. 10, 2019 at the Weston Golf and Country Club that will be presented by our Executive Chairman – Dr. Toby Roberts FEng PhD CEng CGeol FICE FGS and William Powrie FEng MA MSc PhD CEng FICE (Professor of Geotechnical Engineering, Southampton University). Both are Authors of CIRIA C750 Groundwater Control: Design and Practice 2nd Edition (2016)

Audience: If you work in the Construction, Development or Engineering Industry, in an executive, estimating, engineering, design or project/construction management role and would like to advance your understanding of dewatering this will be a valuable Workshop to attend - Toby is one of the founders of WJ Groundwater and Professor William Powrie is a leading Geotechnical Engineering expert/consultant in the UK who was elected a Fellow of the Royal Academy of Engineering in 2009.
